Welcome to the home of the Wolves! June 2019

**End of May** - Gibsons Elementary is excited to dive into 2019 Bike to School Week next week (May 27<sup>th</sup> to May 31<sup>st</sup>). Please encourage your child to bike to school. There will be door prizes and classroom recognition for participation. Students that walk, bike or roll to school on their own power are more alert, have improved learning, and less stress and anxiety.

### June

We are looking for a parent who would be interested in spearheading the BC Fruit/Veggie/Milk Program next school year. Shipments arrive once every 3-4 weeks. This role is for the pre-set days of delivery for about 1.5 hours to distribute the fruit/veggies and milk to the classrooms. The front office is able to help coordinate this and the current coordinator is willing to provide information and help with the transition during next year. Please let the office know.

**PAC request** – please return any forks or spoons your children may have borrowed from the school store; thank you.

**If you have a child starting kindergarten in September, please have your paperwork into the office before the end of the month.**

**If you know you will be moving away for the 2019-2020 school year, can you please let the front office know so we can plan ahead for your child's pending school transfer.**

Friday June 14<sup>th</sup> will be the last day for the school store and hot lunch for this year. Lunch will be hot dogs on this last day (not sushi).
