Welcome to the Home of the Wolves! Sept. 2018

Welcome back everyone!

School starts at 9:00 a.m., which means teachers are instructing and students are engaged in the learning process. There are no interruptions to this first part of the day as 100% of primary students and all of our intermediate students, except those in band, are engaged in activities related to “reading”. This is critical learning time for students, so arrival before the bell is **EXTREMELY IMPORTANT**. Arriving late is like coming into a movie you have never seen before *after* it has started – very confusing!

Please advise the front office right away if there are any **medical alerts** that your child may have.

Just a reminder to return any **library books** you may have from our school library.

If you need to park out front and come into the school, please do so after 3:05 p.m. when the school buses have left for the day. The buses cannot make it around the corner with cars parked out front. The centre parking lot is for **staff only** and all stalls are assigned.

Please remember to call the front office if your child will not be at school for the day or will be arriving late.

Kindergarten school supplies - \$45
Grade 1-7 school supplies - \$40
